Contact Person in Japan (common to each school)

A contact person living in Japan is required when applying to our school. As well as preparing and submitting the student's application materials, the contact person will be asked to help and support the student's life in Japan once they arrive. Also, the contact person may be asked to assist the student with their studies after entering the school.

A contact person must meet the following requirements. Any nationality is accepted.

- 1) The person must be a relative or a friend of the student and must know the student and their family very well.
- 2) The person must be well settled in Japan and must have a good understanding of the Japanese language, laws, culture, and customs.

Financial Sponsor (common to each school)

A "financial sponsor" is a person who will be responsible for providing all the required funds while the student is studying at the YMCA.

The financial sponsor must meet the following requirements:

A: In the case that the financial sponsor is the student themselves

- ① They must have an employment history for certain period of time.
- ② They must be able to show proof that they are able to provide all required funds for the duration of their studies.

B: In the case that the financial sponsor is living in the student's home country

- ① They must basically be a close relative of the student (parent, sibling, grandparent, etc.).
- ② They must be able to show proof that they are able to provide all required funds for the duration of the student's studies.

C: In the case that the financial sponsor is living in Japan

- ① If the person is Japanese, they must have a close relation to the student and appropriate reasons for supporting the student.
- ② If the person is a foreigner, they must basically be a close relative of the student (parent, sibling, grandparent, etc.)
- ③ They must be able to show proof that they are able to provide all required funds for the duration of the student's studies.

Application Procedure: (common to each school)

① Submit application

Advance appointments are required when submitting an application. Have your contact person in Japan submit all the application documents directly to the Japanese Language Department front desk. We do not accept applications by mail. Please pay the application fee (20,000 yen) by bank transfer. Applications are accepted from 9 a.m. to 5 p.m. on weekdays and Saturdays. Applications are not accepted on Sundays and holidays. Once paid, the application fee will not be refunded for any reason.

② Screening, Application for "Certificate of Eligibility"

After screening at the school, the YMCA will issue a "Notification of Acceptance" for those who are qualified to study at the YMCA. The school will then submit an application for a "Certificate of Eligibility" to the Yokohama District Immigration Office. During screening, when necessary, on-site tests (an interview and a written test) and an interview with your contact person will be administered.

③ Procedures by the Immigration Office, Issuance of Visa

The school will inform the contact person on the result of the application for a “Certificate of Eligibility” from the Yokohama District Immigration Office. Once the “Certificate of Eligibility” has been issued, the school will hand it over after the tuition has been paid. You are required to take this document to the Japanese Embassy or Consulate in your country to be able to receive your visa.

Application documents (common to each school)

Please read the following notes carefully before preparing the necessary application forms using the samples as a guide.

- ① All documents must be dated no more than 3 months before the date of submission to the Immigration Office.
- ② Complete the forms with a black or blue pen or ball-point pen. You may download the application documents listed below with ★ mark from our website.
